Maruti Mera Dost 2 movie in hindi download mp4 is a 2015 bollywood movie directed by Annu Kapoor and produced by Ashish R. Shetty under the banner of Sanjay Leela Bhansali Productions. This romantic comedy stars Arbaaz Khan, Diljit Dosanjh, and Tara Sharma in lead roles. The film opens with Diljit's character Manav singing Punjabi songs to his daughter on their way back from the hospital where he has just paid for his wife's surgery. Their car breaks down and they meet a young mother who takes them to her struggling cafe that she runs with her husband, Jimmy Ji (Arbaaz Khan). Manav runs the cafe with Jimmy Ji's support, while Jimmy also takes care of Manav's daughter. Manav has an impending promotion at work and feels that Jimmy's lifestyle of owning a cafe is not right for him. He decides to sell the cafe and start his own business, but it never happens. One day, he learns that his wife has gotten pregnant again and wants to stay at home to take care of the kids. Manav sells all of their things to buy a new car for his wife. He is unable to make ends meet with this amount of money, so he sells some items on eBay, but still cannot afford the car payment. He decides to collect the money for the car by selling their apartment. Jimmy Ji has always wanted to travel on the train, so he buys a ticket for it. He books a seat on the train, but then finds out that it is actually a local train that does not have reserved seats. On the night of the trip, Manav's wife's water breaks while they are packing up their things to move out of their apartment. Manav calls Jimmy Ji to take him and his family to the hospital, but Jimmy Ji tells them that his train is about to leave soon and he is not able to make it in time. Manav picks up his wife and drives her in their car with his daughter. While Manav is driving, his wife goes into labor and delivers a baby boy. The couple name him "Merav". They stop at a gas station to clean themselves up and rest for a bit. A passenger from the train sees them at the gas station using their car's restroom and finds out that they do not own it. He tells Jimmy Ji about this when Jimmy finds himself stuck in traffic trying to make it back home on time for his train. Meanwhile, Manav finds out that he has not received his promotion at work because he did not complete all of his tasks that month since he took time off for his wife's surgery and then gave up the day job to take care of her afterwards. Manav does not want to go back to his old ways, so he decides to stay with Jimmy Ji and his family instead. Manav's wife and baby start to get better and the family celebrates the fact that Manav will be getting a promotion after all. At dinner time, Manav goes outside with Jimmy Ji and their daughter to smoke a cigarette. He explains that he gave up on getting the promotion because he did not finish all of his tasks that month since his wife was undergoing surgery for uterine fibrosis, and then she had another surgery for her gallbladder and back again. Jimmy Ji encourages Manav to keep moving forward and not give up on what he wants so much.
